

Name _____

Holiday Traditions From Around the World

You will now be going back to the classroom to begin a writing project. You will be writing in paragraph form to inform your classmates about any two celebrations that you follow in your own home.

The celebrations do not need to be centered around a holiday. Try to use some of the information that you have learned during your research. You should describe at least 2 traditions that your family celebrates.

Describe each tradition, using details from your family celebrations. If possible try to describe where your family traditions have come from. (Did the tradition start with a grandparent, or a sibling? Is your tradition from a specific country?) Your details should paint a picture in your reader's mind of the family activities, decorations, and so on.
