- I. School officials, with the assistance of law enforcement agencies, will take immediate and positive action toward all persons engaging in any form of violence, such as vandalism, assault and battery, and inciting to riot. Anyone so apprehended will be prosecuted according to law.
 - II. The Board may offer a reward for information leading to identification and arrest and conviction of any person who commits an act of violence on school property.
 - III. Any person or organization, whether a part of the public school system or not, that encourages students to disobey school rules and regulations or to participate in disruptive behavior or violence will be charged and prosecuted according to the law.
