---

I. Policy: 607.02

II. Procedure:

- A. *Through telecommunications, students of all ages will have access to electronic information resources which have not been screened against established criteria for selecting materials of instruction.*
- B. *Staff must exercise its best judgment across the curriculum when identifying telecommunications resources to supplement instruction. Selection and adoption of such instructional telecommunication resources will be governed by the provisions of the publication, "Procedures for the Evaluation and Selection of Instructional Materials," in accordance with Board Policy 607.02. Additionally, staff must provide guidance and instruction to students in appropriate and ethical use of telecommunications resources.*
