- I. The Associate Superintendent for Business and Management Services will issue guidelines for the preparation of emergency plans for bus students in transit for instances of severe weather, fire, civil disturbances, bomb threats, nuclear attacks, and earthquakes.
 - II. All plan changes or modifications will be coordinated with the County Office of Emergency Management prior to implementation.
 - III. Each principal in coordination with local police and fire officials will develop emergency plans for the school and will provide adequate instruction and training for staff and students so that the plans may be implemented effectively and in accordance with the guidelines contained in the School Emergency Plan Handbook.
