The Anne Arundel County Public School System does not discriminate on the basis of race, color, sex, national origin, religion, age, disability, sexual orientation or familial status in matters affecting employment or in providing access to programs. Questions regarding nondiscrimination should be directed to Mr. Leslie N. Stanton, Specialist in Human Relations, Anne Arundel County Public Schools, 2644 Riva Road, Annapolis, Maryland 21401; telephone 410-222-5318; (TDD) 410-222-5500.

CAREER TECHNOLOGY REQUIREMENTS

*Students are expected to use bus transportation provided between their high schools and CATN.
The bus stops for express buses will be within county guidelines.*

- **Substantial leather boots with substantial soles** are required for some courses at CATN and are to be worn in *lab areas*. Any other soft footwear is *NOT* acceptable. Lockers will be provided for shoes and clothing. Each student will have to provide their own lock.
- Hair must be cut or controlled so it does not impair vision and cannot become entangled in machinery.
- **Safety glasses are required in many labs** and are available for purchase (\$5.00). Students **must wear safety glasses at all times** in the *lab area*. Students may use their own prescription safety glasses USA standard (Z871-1986). If these safety glasses are constructed without side shields, students are to acquire goggles to wear over their safety glasses.
- Work clothes appropriate to the class as designated by the instructor are necessary at **all times**. Tank tops, hats, bare midriffs, and shorts are **not** acceptable. Hats may **not** be worn inside the school buildings. We encourage neatness in dress and appearance. Trade attire is required in some programs.
- **Grades and regular attendance play an important role** in meeting the requirements for continuing in the programs. Please help by being regular in attendance. All absences must be made up by department guidelines at CATN. **Students need two separate notes written for an absence; one for their high school and one for CATN.**
- **Students and parents should read CATN student guidelines** given to the students during the first week of classes to clarify any rules and standards set by the school and/or Anne Arundel County Public Schools. Students are required to observe all lab rules. Safety violations will result in disciplinary action.
- Parents/Guardians are encouraged to attend a scheduled orientation to acquire additional course specific information.
- Certain programs include a work experience component for their senior year. Students must provide their own transportation by August 15th prior to their senior year.

I give my permission for CATN to release my name and phone number to potential employers who request leads on employees with my trade experience during my attendance at CATN and after graduation.

Student's Signature _____ Date _____

I have read the above information and agree to support my student in complying with the rules listed above.

Parent's/Guardian's Signature _____ Date _____

**Office
Use
ONLY**
