*Glen Burnie High School, educating generations of the community's children, sets the standard for excellence by providing a rigorous academic program for our diverse 21<sup>st</sup> Century learners. Through collaboration among students, teachers, parents, and community, we ensure a safe, nurturing, and respectful learning environment, which promotes persistence, responsibility and integrity-skills and attitudes that are part of our tradition and are essential in our global society.*

Dear Parents and Glen Burnie High School Community Members,

Second semester has begun and interims for the third quarter will be given out on March 4, 2011. Please review students' interims and if your student needs extra help, have them stay on Wednesday's to meet with teachers and catch the activity bus home at 3:15 pm. Additional help sessions can be arranged by your student and the teachers on other days. Students must provide their own transportation home. Please have your student take the initiative and discuss extra help with their individual teachers in advance.

Our goal is to improve rigor for every student and counselors are currently busy scheduling students for the 2011-12 school year. Students must select a career path/program to be completed in four years. Also, if your student is interested in the Vo-Tech Program, he/she needs to apply and be accepted, another reason for perfect attendance and good grades! Please discuss the importance of taking Advanced Placement classes with your student. AP classes prepare students for real world experiences and stretch their capabilities. Yes, it will require them to work harder, a goal that will insure success in the future.

As part of increasing rigor, we are pleased to announce that GBHS will house the new Bio-Medical Allied Health Magnet Career Cluster. This program will include opportunities for students in the Cluster to job shadow, intern, and take college coursework in high school.

In addition, students will take the Government, Biology, English 10, and Algebra H.S.A. tests this May 16-19. Please help us by having your student in attendance for these important tests. It is important for parents to encourage and monitor positive student work habits, assignment completion, and attendance. We must work together to insure that every student completes a rigorous high school program to be ready for the world of work, the military, and/or post secondary education.

I am extremely proud of the students who have worked beyond minimum expectations to be recognized in various county and state sponsored opportunities such as All County Band and Chorus, College Board Commended Scholars, National Achievement Scholars, Future Educators of America, Art Shows, Yearbook, Dance competitions, and It's Academic. These are exemplary programs that help our students connect their interests to learning and give them the opportunity to work with students beyond our high school. Please encourage your student to become more involved in learning and join our school activities programs.

In closing, I must say that I am extremely proud of our school and community. As we work together to meet the challenges of an ever changing society, I know we will continue to provide a strong instructional program for our students.

Principal

## LIBRARY MEDIA CENTER OVERDUES

Please check at home for overdue books and magazines that belong to GBHS Media Center and return them promptly to the Media Center. According to Department of Education policy, lost and damaged materials must be paid for. Thank you for your assistance in helping us retrieve our overdue materials.

## **“QPR” INFORMATIONAL SESSION**

Glen Burnie High School is proud to announce the kick off of our “QPR” informational sessions for parents on March 24<sup>th</sup>, 5:30 to 6:30 pm.

QPR stands for Questions, Persuade, and Refer – 3 simple steps that anyone can learn to help save a life from suicide. Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. Each year thousands of Americans, like you, are saying “Yes” to saving the life of a friend, colleague, sibling, or neighbor. QPR can be learned in our Gatekeeper course in as little as one hour.

The first informational session was held on February 17<sup>th</sup>. The second session will be held on April 28<sup>th</sup> in the auditorium at Glen Burnie High School. Sessions will include a question and answer portion and all participants will receive informational booklets and packets.

All GBHS students will be invited to enter the QPR awareness campaign media contest. Prizes will be awarded in two categories – poster format and multimedia format. Awards will be given on April 28<sup>th</sup>.

Please contact Mrs. Rowan at 410-761-8950 ext. 223 to register for the session.

## **WHAT IS TARDINESS?**

Anne Arundel County Public Schools defines tardiness as “the student not being in the classroom when the class period starts”.

## **WHAT ARE THE BENEFITS OF BEING ON TIME TO SCHOOL?**

- The student begins the day in a positive frame of mind so that he or she can make the most of learning.
- Allows the student to hear morning announcements so important information is not missed.
- Promotes good attendance.

- Creates an understanding that school is important and that education is valuable.
- Helps the student develop a sense of responsibility toward his or herself and toward others.
- Leads to greater self confidence.
- Sets positive patterns for the future.

## **IMPACT OF ARRIVING LATE TO SCHOOL**

- Student’s day is off to a negative start.
- Student misses important information presented at start of school day.
- Behavior is noticed by other students, which may illicit negative comments.
- May lead to a loss of self confidence.
- Disrupts classmates and teachers.
- Creates negative habits that will be difficult to break.
- May lead to poor attendance – ***if a student thinks it is acceptable to arrive late to school, he or she may think it is acceptable not to go at all.***

## **ARRIVING ON TIME TO SCHOOL – SUGGESTIONS FOR PARENTS**

- Prepare items such as lunches, clothes, and backpacks the night before each school day.
- Make sure your child is not prevented from sleeping due to distractions such as television, computer, video games, and/or telephone use.
- Get yourself and your student up early in the morning so that you can leave the house in time to arrive to school before the bell rings.
- Purchase an alarm clock for your child so he/she can get in the habit of getting up at the same time each day.
- Make alternative arrangements with neighbors, friends, or family if there is difficulty getting your child to school.
- Students should complete homework the night before the school day, not at the breakfast table!
