Dear Parents,

As I begin year two as principal of Glen Burnie High School, I reflect on the events of the past school year and am pleased with the progresses our students continue to make thanks in part to the efforts of an extremely dedicated professional and support staff. Our quest for excellence has only just begun. As we move forward and build upon the collaborative relationships established between staff, parents, students, and the community, we will strive to ensure that our students develop the critical skills necessary to become self-directed, lifelong learners, with the capacity to excel as compassionate and productive citizens in a diverse and changing world. Education is a shared endeavor that extends beyond the school campus whereby administration, faculty, support staff, community partners, and parent partners share responsibilities for fostering a positive and safe learning environment for all students. I am excited to be guiding this venture.

I would like to share with you some of the achievements of note in the 2008-09 school year. There was a nine percent (9%) increase in the number of Advanced Placement (AP) tests administered, with two hundred thirty-eight (238) students testing. One hundred thirty-two (132) of those tests received scores awarding them college credit. Seventy percent (70%) of our recent graduates have plans to attend college. Even more impressive, the Class of 2009 also had the most scholarship monies awarded in the history of Glen Burnie High School. What a milestone! We look to further build upon these accomplishments by increasing student participation in Advanced Placement and Honors courses, extra-curricular activities, and post secondary education as we continue to push *all* of our students to meet or exceed their potential for intellectual, physical, and social development.

Again this year we will host an information night for incoming freshmen and their parents. This ***Freshman Orientation Night*** will be held on Thursday, August 20, 2009 at 6:30 PM. All parents and students should meet in the auditorium. Our annual ***Back-to-School Night*** will be held on Thursday, September 3, 2009. This evening will begin in the cafeteria with a spaghetti dinner from 5:00-6:30 continuing with opening remarks, introductions, and announcements. At 6:50 the structured portion of the evening will begin, allowing for ten (10) minute visits to each classroom. I hope to see you on September 3, 2009.

Enjoy the remainder of the summer, and I look forward to starting the new school year on August 25, 2009 for grades 10 through 12! ***Freshmen will begin classes on August 24, 2009.***

Sincerely,  
Vickie L. Plitt  
Principal

### PERSONAL PROPERTY

The Board of Education of Anne Arundel County is not responsible for damage to any motor vehicle parked on Board of Education property at any time. The Board does not carry insurance to cover vandalism, malicious mischief or other acts which might result in damage or loss to personal property.

The same provision applies to any personal property which might be brought into the school or work location or left overnight which subsequently may be stolen, destroyed, or vandalized. We are not able to compensate anyone for damage or loss of personal property.

### VIDEO CAMERA SYSTEM

Glen Burnie High School is equipped with a video camera system. It covers selected interior and exterior public portions of the building and grounds. It is NOT monitored constantly, but it is monitored during emergency situations. During certain events, when the safety or security of students may be in question, authorized personnel from local, state, or federal police or fire emergency units may be given access to view images projected on the camera system. If you have any questions about the system, you should call the Supervisor of School Security at (410) 222-5083.

### USE OF DRUG DETECTION DOGS

The Board of Education and the Anne Arundel County Police Department have joined in a program to eliminate the use of drugs in county schools. The program will work as follows:

1. At times, unannounced and randomly selected during the school year, county police will bring to the school a dog or dogs trained to detect drugs.
2. The police, the dog(s), and members of school staff will tour school buildings and grounds.
3. If the dog locates a suspected source of controlled dangerous substance in a student's possession, in a student's locker, or in a student's car, the student's parents or guardians will be notified. The student will be subject to the appropriate sanctions provided in law, and to the drug procedures outlined in Administrative Regulation JI-RA.

Thank you for your support of our continued efforts to provide a safe and secure school environment.

## **REGULAR ATTENDANCE AND ACADEMIC SUCCESS**

No one learns to swim without getting in a pool and a similar analogy applies to academic success in high school. Regular attendance in ALL classes each school day is essential for a student's academic success. Glen Burnie High School has adopted a goal to improve attendance and I would like to define the responsibilities that each of us has with regard to school attendance.

### **STUDENT'S RESPONSIBILITIES**

Attend **ALL** assigned classes each day. Attend school daily unless illness or another serious reason prevents it. Provide the first period teacher with a valid note from the parent/guardian for all absences **UPON RETURN TO SCHOOL.**

### **PARENT'S RESPONSIBILITIES**

1. Stress to your son or daughter the necessity (requirement) for regular daily attendance.
2. Keep a record of dates absent for your son or daughter for your information.
3. Provide your son or daughter with a **VALID WRITTEN NOTE FOR ALL ABSENCES** (see sample note) **UPON RETURN TO SCHOOL.**
4. Contact the teacher, counselor, or administrator to discuss absences.

### **SCHOOL'S RESPONSIBILITY**

1. Each teacher will keep an accurate record of pupil absences for each class.
2. Each teacher will make an effort to contact parents, by telephone or letter, when a student is not in regular attendance.
3. The school will make telephone contacts via the Telephone Notification System (TNS) for students with extended and questionable absence. TNS calls will be made during

evening hours when it is probable that parents will be at home.

4. The teachers, counselors and administrators will confer with students whose attendance is not acceptable.
5. The school will make referrals to appropriate agencies (Pupil Personnel Worker, Social Services, Juvenile Court) to seek assistance in resolving attendance problems.

It is a joint effort of students, parents, and the school staff to set standards for regular attendance, monitor attendance in classes and at school, and to work cooperatively to see that students succeed in high school. The Board of Education policies regarding attendance are reprinted in this newsletter for your information. I urge all parents and students to become familiar with these regulations.

**ABSENCE NOTES BROUGHT IN  
THREE (3) OR MORE SCHOOLS DAYS AFTER  
THE ABSENCE  
WILL NOT BE ACCEPTED  
AND THE ABSENCE(S) WILL BE  
CODED "A-21" - UNEXCUSED.**

## CONTACTING THE SCHOOL

From time to time parents may need to confer with an administrator, counselor, or teacher about a school related matter. Such contacts are vital and necessary to maintain the close working relationship essential to a student's progress and are regarded seriously by the school staff. To facilitate these contacts we have prepared a list of names and how to contact them.

Please make sure you provide alternative names and numbers of those designated to pick up your child if we are unable to reach you.**

## **MEDICATION**

If your child needs to take medication of any kind (prescription or over-the-counter), there must be a signed Medication Form for the 2009-2010 school year. No medication is to be accepted by school personnel or allowed to be self-administered under the supervision of school personnel without the receipt of the appropriate medication authorization form completed by the student's parent(s)/guardian(s) and physician in its entirety without deletion or alteration. Students are not allowed to carry any medications with them unless the completed form is on file in the Health Room. This allows the student to stay in school more comfortably and have less days absent from school. Forms are available in the Health Room if you should need them. **The school system reserves the right to refuse to accept, administer, or supervise self-administration of any medication.**

## **POLICY CONCERNING ILL STUDENTS GOING HOME FROM THE HEALTH ROOM**

## **CITIZENS ADVISORY COMMITTEE**

The Citizens Advisory Committee (CAC) is a legal, organized way for the citizens of AA County and each local school to take part in examining and directing the education of children in the county's public schools. The County-wide CAC must report to the Board of Education at its regular monthly meetings. The County-wide CAC is composed of 1 representative from each local CAC and concerns itself with issues having county-wide implications. A local CAC is organized in each school for the purpose of working on local issues and individual school concerns. Glen Burnie High School has had an active CAC for many years. Get involved, be informed, and have a voice in GBHS's CAC. The first CAC meeting of the new school year is set for Monday, October 12<sup>th</sup>, 6:30 PM, in the Principal's Conference Room.

## **MEDIA CENTER**

GBHS students are welcome to use the Media Center before, during lunch and after school, in addition to scheduled class visits. Students have access to our print collection of fiction and non-fiction, daily newspapers, and magazines as well as the Internet and online databases. The Media Center also offers students the opportunity to explore college and career options through books, catalogs, and college videos.

ANNE ARUNDEL COUNTY PUBLIC SCHOOLS  
**NOTIFICATION**  
OF AVAILABILITY OF ASBESTOS  
MANAGEMENT PLANS

On October 22, 1986, the United States Congress enacted the Asbestos Hazard Emergency Response Act (AHERA). The final rule, published October 30, 1987, requires all public and private elementary and secondary schools to address various asbestos issues including inspections, development of Management Plans, notifications, training, operations and maintenance activities, response action, post response action activities, reinspections and periodic surveillance activities that are planned or are in progress.

The Anne Arundel County Public Schools' asbestos management program has been structured to fulfill the AHERA requirements. A Management Plan developed for each facility outlines our program and AHERA compliance activities. All personnel who works in an Anne Arundel County Public Schools facility are instructed to: (1) review the Management Plan prior to performing work, and (2) not disturb asbestos containing materials. Accredited, licensed asbestos abatement professionals will perform all asbestos-related abatement activities

For new buildings, those completed after October 12, 1988, our "management plan consists of the exclusion documentation including this notification. This documentation means that to our knowledge, no asbestos-containing building materials were used or specified in the construction of these buildings. These schools are as follows: Crofton Meadows Elementary, Davidsonville Elementary, Ferndale Early Childhood Center, Freetown Elementary, Glendale Elementary, Hebron-Harman Elementary, Jacobsville Elementary, Marley Elementary, Marley Middle, Mayo Elementary, Meade Heights Elementary, Meade Middle, Nantucket Elementary, Park Elementary, Pasadena Elementary, Pershing Hill Elementary @ Meade Heights Elementary, Piney Orchard Elementary, Ridgeway Elementary, Seven Oaks Elementary, Solley Elementary, South Shore Elementary, Tracey's Elementary and Windsor Farm Elementary Schools.

The school unique management plan is available in the school administrative office for review. All other school plans are available for review in the Maintenance Division, located at 9034 Fort Smallwood Road, Pasadena, MD 21122-3223. Five (5) working days notification is required.

If you have any questions regarding the Anne Arundel County Public Schools' asbestos management program, please contact Mr. C. Thomas Leary, Asbestos Program Manager, at 410-255-2535, by email [cleary@aacps.org](mailto:cleary@aacps.org), or by mail at the above address.
