## **MIDDLE SCHOOL CALENDAR**

**SY 2016-17**

Middle school color rotation coincides with high school A/B rotation. The school year will start with a double A day and the start of semester 2 will begin with an A day. Please substitute your school colors for the silver/gold on this schedule.

All rotations remain constant. A missed school day is not made up in either the A/B/C rotation or the color rotation.

For example, if it snows and students miss school on February 13, if students return to school on the 14th, it will still be a Gold A Day.
