

OPEN ENROLLMENT MEETINGS - 2012

We encourage you to attend one of our three Open Enrollment meetings to learn about your healthcare options. Representatives from CareFirst will offer presentations on the following topics:

- A) Introduction to the BlueChoice HMO Plan.
- B) The Benefits of Changing from the PPN Plan to the Triple Option Plan.

Healthcare and voluntary benefits vendors will attend all the events. In addition to the formal presentations described above, there will be a vendor “Open House” with each vendor available to provide information, answer questions and provide “giveaways”.
