

# Praxis & ParaPro Test Fee Reimbursements

To assist Anne Arundel County Public School teachers in becoming professionally certificated and to assist teachers and teacher assistants in becoming highly qualified, Title II funds have been allotted to reimburse the cost of Praxis I, Praxis II, and ParaPro tests on a first-come, first-served basis.

Any contracted teacher who has taken and passed a Praxis I or Praxis II test or teacher assistant who has taken and passed the ParaPro Assessment after September 1, 2006, while employed with AACPS, may request reimbursement for the cost of the test through Title II grant funds.

A photocopy of the Praxis or ParaPro score report and proof of the test payment should be submitted to Ms. Gerry Roberson([glroberson@aacps.org](mailto:glroberson@aacps.org)) in the Office of College/University Partnerships at the Carver Staff Development Center.

Test fees will continue to be reimbursed to current AACPS employees as long as funds are available.
