What Do I Need to Know?

As a condition of employment, employees are required to familiarize themselves with the Employee Handbook as well as relevant Board Policies and Regulations governing the different aspects of their work.

In general, all employees are expected to be familiar with Board Policies and Regulations that include, but are not limited to, Personnel Issues (Section G) found on aacps.org under the Board of Education tab.

The Employee Handbook is updated periodically, as needed, and is available on the internet. **As Policies change and Regulations are updated, employees are expected to make themselves aware of changes that impact their employment.**

Finally, employees covered by collective bargaining agreements can find those resources on the AACPS internet and intranet under Employee Relations.
