Check any and all of the programs you offer. Write in when and how often you offer each. Also, indicate the number of staff and/or volunteer who conduct each program or activity, the approximate number of students you serve and the source of funding for each program/activity. No program is too small or too large.

Would an ongoing “program support group” interest you? Yes No

Thank you so much for your time in completing this survey. We will use your information to determine more ways to support our children coming to school fully prepared.
