

## Verification of Daycare Services (for students K-8 only)

Anne Arundel County Public Schools require students to attend school in their geographic attendance area. Each year, exceptions are made to assist parents and students who submit evidence of a documented hardship, so that a student can attend school outside of his or her home school area. Please have your daycare provider complete this form. This completed form must accompany your Application for Out-of-Area Transfer.

|  |  |               |
|--|--|---------------|
| Name of Student                            | Hours at Daycare<br><i>From</i> _____ <i>To</i> _____<br>a.m. p.m. | Days per Week |
| Name of Facility/Private Provider          | Telephone #  |               |
| Address                                    | City/Zip Code  |               |
| Public School Neighborhood Children Attend |  |               |

**I verify that the above student is registered for daycare services as listed above.**
