# NORTHEAST FEEDER SYSTEM ENROLLMENT

## 2010 Actual, 2011-2020 Projected

# NORTHEAST FEEDER SYSTEM ACTUAL SEPTEMBER 2010 ENROLLMENT

# Northeast High School

**Geographic/Demographic Component:**<sup>1</sup> Northeast High School is located within census tract 7301, 7313.03, and 7313.06.

**Zoning:**<sup>2</sup> The northern portion of the Northeast attendance area along Solley and Fort Smallwood Roads is zoned for heavy industrial use. The central portion, bordering both sides of Stoney Creek, is zoned predominately R-5. The portion of the area located south of Mountain Road has the lower density zoning of R-1 and R-2. RLD zoning exists to the west and south of Nabbs Creek (i.e. Altoona Beach and Brightwater Beach areas). Commercial zoning is located primarily along Mountain Road and in the Riviera Beach portion of Fort Smallwood Road.

**Sewer Service:**<sup>3</sup> Sewer service exists in the central portion of the area adjacent to Stoney Creek and north of Rock Creek. The remaining areas are in the planned service area.

**Water Service:**<sup>3</sup> Water service exists in the central portion of the area adjacent to Stoney Creek and north of Rock Creek. The remaining areas are in the planned service area.

**Development:** Tanyard Springs has recently received approval from Anne Arundel County Planning and Zoning and has proceeded to construction phase. The Maryland Department of Planning has identified this area for moderate growth/turnover due to BRAC. (See Appendix “Q”).

**Enrollment:** Enrollment at Northeast is projected to increase slightly over the next ten years but may be offset by BRAC-related enrollments. On April 20, 2009, the Board of Education adopted redistricting reassigning the Marley Neck Boulevard corridor from the Marley Elementary boundary up to but not including the community of Tanyard Springs from Solley Elementary School, George Fox Middle School, and Northeast High School to Marley Elementary School, Marley Middle School, and Glen Burnie High School. On April 21, 2010, the Board of Education adopted redistricting reassigning Tanyard Cove, Section “A”, from the Northeast Feeder System to the Glen Burnie Feeder System.

**Planning:**<sup>6</sup> The 1997 Anne Arundel County General Development Plan (GDP) for this area was updated via the implementation of the Pasadena/Marley Neck Small Area Plan which went into effect in August 2004. The 2009 GDP was approved by the County Council on October 19, 2009.

## **Statistical Data:**<sup>1</sup>

Population of attendance area.....	18,675
Number in public schools (PreK-12).....	4,182
Percent in public schools .....	22%
Percent non-white .....	8%
Average home value .....	\$279,950
Median income .....	\$70,023

# George Fox Middle School

**Geographic/Demographic Component:**<sup>1</sup> George Fox Middle School is located within the census tracts 7301.01, 7313.04, and 7313.05.

**Zoning:**<sup>2</sup> The northern portion of the George Fox attendance area along Solley and Fort Smallwood Road is zoned for heavy industrial use and PUD residential along Marley Neck Blvd. The central portion, bordering both sides of Stoney Creek, is zoned predominately R-5. The portion of the area located south of Mountain Road has the lower density zoning of R-1 and R-2. RLD zoning exists to the west and south of Nabbs Creek (i.e. Altoona Beach and Brightwater Beach areas). Commercial zoning is located primarily along Mountain Road and in the Riviera Beach portion of Fort Smallwood Road.

**Sewer Service:**<sup>3</sup> Sewer service exists in the central portion of the area adjacent to Stoney Creek and north of Rock Creek. The remaining areas are in the planned service area.

**Water Service:**<sup>3</sup> Water service exists in the central portion of the area adjacent to Stoney Creek and north of Rock Creek. The remaining areas are in the planned service area.

**Development:** Tanyard Springs has recently received approval from Anne Arundel County Planning and Zoning and has proceeded to construction phase.

**Enrollment:** On April 19, 2006, the Board of Education returned students affected by past redistricting in the Sunset attendance area back to George Fox Middle School due to recent changes in enrollment. On April 15, 2009, Riviera Beach students were also redistricted back to George Fox Middle School. Current 6<sup>th</sup> and 7<sup>th</sup> graders attending Chesapeake Bay Middle School will have the option of grandfathering with transportation. Enrollments are expected to increase through 2020.

**Planning:**<sup>6</sup> The 1997 Anne Arundel County General Development Plan (GDP) for this area was updated via the implementation of the Pasadena/Marley Neck Small Area Plan which went into effect in August 2004. The 2009 GDP was approved by the County Council on October 19, 2009.

# High Point Elementary School

**Geographic/Demographic Component:**<sup>1</sup> High Point Elementary School is located within census tract 7313.04 and 7313.05.

**Zoning:**<sup>2</sup> The High Point attendance area is zoned R-5.

**Sewer Service:**<sup>3</sup> Sewer service exists for the High Point, Piney Haven, Queens Park and Green Haven Forest areas. The remaining areas are in the planned service area.

**Water Service:**<sup>3</sup> Water service exists for all of the attendance area.

**Development:** This area has experienced a very moderate rate of residential development in the last three years primarily due to build-out of existing lots.

**Enrollment:** Enrollment is expected to increase through 2020.

**Planning:**<sup>6</sup> The 1997 Anne Arundel County General Development Plan (GDP) for this area was updated via the implementation of the Pasadena/Marley Neck Small Area Plan which went into effect in August 2004. The 2009 GDP was approved by the County Council on October 19, 2009.

# Solley Elementary School

**Geographic/Demographic Component:**<sup>1</sup> Solley Elementary School is located within census tract 7301.01.

**Zoning:**<sup>2</sup> Zoning in the Solley attendance area is R-5 in the waterfront communities, fronting on Stoney Creek. RLD, zoning exists to the east of Solley Road in the Brightwater Beach area. R-1, R-5, PUD and R-10 zoning exists to the west of Solley Road fronting Marley and Curtis Creeks. Industrial and commercial zoning exists around Solley Road and Solley Elementary and to the north of Solley.

**Sewer Service:**<sup>3</sup> Sewer service exists in the Cox Creek, Lombardee Beach and Silver Sands areas. The remaining areas are in the planned service area.

**Water Service:**<sup>3</sup> Most of the area is in the future service area.

**Development:** Tanyard Springs has recently received approval from Anne Arundel County Planning and Zoning and has proceeded to construction phase.

**Enrollment:** Enrollment is projected to increase through 2020. On April 20, 2009, the Board of Education adopted redistricting reassigning the Marley Neck Boulevard corridor from the Marley Elementary boundary up to but not including the community of Tanyard Springs from Solley Elementary School, George Fox Middle School, and Northeast High School to Marley Elementary School, Marley Middle School, and Glen Burnie High School.

**Planning:**<sup>6</sup> The 1997 Anne Arundel County General Development Plan (GDP) for this area was updated via the implementation of the Pasadena/Marley Neck Small Area Plan which went into effect in August 2004. The 2009 GDP was approved by the County Council on October 19, 2009.
