Subject: **Glen Isle CMS New Bus 217**

Starting **TUESDAY, October 30, 2018**, the Central Middle bus stops in Glen Isle, which are located at Poplar Drive at Southview Drive and Cedar Drive at Laurel Road, will be served by bus route 217. The morning bus stops times for the Glen Isle neighborhood will be approximately 7:55 to 8:05.

At Central Middle afternoon dismissal, Bus Route 217 is in the second group of buses, so the riders of bus 217 (like they did for bus 449/724) will go initially to the cafeteria while the first group of dismissal buses load and leave.

Thank you for your cooperation in making this change.
