

Crofton Men's Soccer

Hello everyone,

I am Coach Carey, and I am the Head Varsity Soccer Coach at Crofton High School.

If you are interested in soccer, there is some important information you need.

First, there will be a meeting on Google Classroom on Wednesday, April 21 beginning at 11:00am. Please join the following classroom prior to the meeting so that we can begin on time:

This summer, there will be a 7v7 league that is played at Anne Arundel Community College (AACC) during the weeknights. I would like to try and get a few teams together of incoming 9th graders to play in the "JV" League to prepare you for the upcoming fall high school season if you are selected to be on the team. If you are not doing anything this summer, I would highly suggest that you play in this league with us! It will help you get in shape and further your skill to get it to the high school level. The cost will be \$70-80 a person, and there will need to be a waiver that your parents fill out and give to me. The waiver is attached as a PDF to this post as well.

For the time being, if you are interested in playing soccer in the fall, and would like to play summer soccer with us, I am going to need you or your parent to email me at epcarey1@aacps.org. Please include your name, the position you play, and if applicable, which club team you play for.

I look forward to meeting you all soon and hope to see you all this summer!

-Coach Carey
