

Crofton Middle School Mission and Vision Statement

This We Believe...

Working as a community of stakeholders (faculty, staff, students, families, and civic organizations) Crofton Middle School provides a safe, welcoming, and respectful learning environment of life-long learners. We inspire each other to be kind, caring, engaged, and productive members of the community. We foster academic curiosity, global thinking, and positive social growth.

This We Envision...

The Ideal Middle School where:

- *Adults and students aspire to be better tomorrow than they are today.*
- *Faculty, staff, students, families, and civic organizations collaborate effectively, frequently, and respectfully.*
- *The learning environment is safe, welcoming, equitable & culturally proficient.*
- *Faculty, staff, students, and families inspire each other to be kind and caring.*
- *All faculty and staff members are role models and encourage academic curiosity, global thinking and positive social growth.*
- *Faculty members employ effective teaching strategies and embrace technology so that all students reach their potential and achieve academic excellence.*
- *Students fulfill their academic responsibilities and cultivate positive relationships.*
- *Faculty, staff, students, families, and civic organizations consistently and vigorously uphold the mission, vision, and values of the school.*
