

Middle School Student Schedule

On **Monday, Tuesday, Thursday, and Friday**, the school day for students is **8:30 AM–2:50 PM**. Lunch runs from 11:30–1:00pm. Between 11:30–12:00pm, students have the option to participate in teacher-facilitated clubs or activities. On **Wednesday**, the school day is **8:30–10:40 AM**.

Each day begins with time for *Building Community*. Students will listen, share, and take time to build trust and respect for self and others during this block. During instructional time, it is essential that teachers and students engage fully in learning. Learning is a multisensory process and teachers need to be able to see and interact with students to provide the best learning experience. In all **green** learning blocks, students and teachers are required to have their **cameras on** so that meaningful engagement and learning can take place. *FLEX Learning Time* on Wednesday provides teacher-facilitated learning support and learning extensions. School teams will determine student FLEX schedules based on their individual learning needs with a focus on Language Arts, Mathematics, and World Language. *Teacher Office Hours/Connection Time* is

also available for drop-in teacher-support/tutoring or by appointment.

Small Group instructional time is a specific time within the class period for teachers to work with selected students and for students to work independently or in study groups on class assignments like classwork, homework, and long term projects..

Students are enrolled in a *Tools for Success* block where they will receive organizational planning, time management, access to i-Ready Reading and Mathematics, and other tools and skills to improve their overall success in school and home.

Hybrid Learning—When some secondary students return to learning in-person in schools, they will have the ability to take part in study groups, work independently, socialize with friends, and receive special services, as needed.

Daily Schedule	A-Day Classes		Support	B-Day Classes
