Message from the Principal...

Good afternoon Parents and Guardians! Interims reports are distributed midway through a marking period. Interims will be sent home May 7th. As always, remind your student that Wednesdays are a dedicated day for receiving additional support and completing any missed work. Following advisory each Wednesday teachers are available to help students with missing work, redo work, or reteaching concepts. Additionally, we have Meade Middle teachers available to support and tutor our students in the evening. Please use this [link](#) to find the days, times, and subjects in which tutoring is available. The links are active and ready for your students!

We are excited to share Comic-Con is coming soon to Meade Middle!

AACC is once again offering this amazing free online summer camp opportunity for middle school students. During the camp, students will learn about safe online behavior, ethics and cybersecurity from experienced instructors. Topics will include application development, wearable technology, protecting information, password security, remote access and building your own computer with Raspberry Pi. Students will participate in collaborative projects and learn how to solve problems, evaluate evidence, analyze arguments and generate hypotheses.

- This camp is open to individuals ages 12 to 14 who have completed grades 6 or 7.
- The deadline to complete the GenCyber Camp application is May 21. Selected applicants will be notified.
- This camp is fully funded by the National Security Agency and the National Science Foundation and is provided at no charge to selected applicants.

Visit [GenCyber Camp - Anne Arundel Community College \(aacps.edu\)](https://aacps.edu) for more information and links to the applications.

At Meade Middle School we believe love is action. Love is sharp. Love is truth-telling. Love is fighting for what it is right. Love is *doing* what is right. We are committed to creating educational spaces that tend to the harm and violence that has been enacted against BIPOC bodies and minds—specifically, those of our children. **“The heartbeat of racism is denial and the sound of that heartbeat is “I’m not racist”.** ~Dr. Ibram X. Kendi

As always, #WeAreBetterTogether,

Karla Steinbach
