GRATEFUL BLESSED
Volunteer Chaperones

Chaperones will be requested for upcoming STEM trips on both STEM Saturday’s and for weekday trips. Chaperones are accepted with a current background check on a first come/first serve basis when the student permission forms are issued. Confirmation of participation in a trip will be sent through email. Volunteers must have a current AACPS background check. If you have already been finger printed, you are cleared and do not need to resubmit electronic application. Please be sure to do this asap. It takes several weeks for the clearance.
