Together We Change Cancer

Dear Parent or Guardian,

SRMS is participating in Pennies for Patients, a program that helps raise funds for the Leukemia and Lymphoma Society. Leukemia touched the SRMS family last year when one of our teachers was diagnosed with Leukemia and spent over 4 months in the hospital. After a very long journey, she is in remission, but has had to retire from teaching.

The SRMS drive begins March 11 and end on Wednesday, April 8th. Students are being asked to bring monies into their advisory during the drive. The advisory that brings in the most will be given a pizza party.

There is an Ambassador committee who is planning and leading the drive. They will be making live announcements on TV Live, and will be encouraging students to make a Pennies for Patients poster. Monies will be collected and deposited daily. Last year was our first year and we collected over $1500. Our goal this year is $2020.

We have added a new and easy way to donate and that is online. The instructions are in the column next to this letter. I know there are many agency’s asking for money. When our school family was touched last year by Leukemia, we approached the Leukemia Society to see what we could do. This is how we chose to participate, I hope you will help us meet our goal.
