This year, the school has provided many of the supplies that students will need during the 2021-2022 school year. However, the following items will not be supplied and will need to be acquired before the start of the school year:

- 1 Non-rolling backpack that can fit inside a locker
- 1 Lunchbox, if your student is bring a lunch from home
- 1 Water bottle
- Face masks

If your child is new to Arnold Elementary this year they will be assigned a Chromebook which will need to be signed out by a parent/ guardian. This will occur during the first week before the start of school. If your student already has a Chromebook from last year they will continue to utilise it this year. All students will be required to bring their Chromebook to and from school everyday and will be responsible for its care.
