Welcome Back!

We are happy and excited to have you back virtually for the upcoming 2020 - 2021 School Year! Look for a postcard, in the mail, that will provide you with information about your classroom teacher. Teachers will be reaching out to families on Thursday, August 27th, to introduce themselves to you.

Meal Applications

We would like every family to fill out the meal application for our school. The information gained from this application is what drives our Title I funding for the upcoming school year. It is important that the application is completed, especially with the current state of affairs within the Covid-19 environment. We want to make sure that our students are provided with the funding and resources that they need to have a successful school year. You can fill out the application through the link below: <http://aacpschools.org/nutrition/apply-for-free-or-reduced-price-meals/>
