

DROP OFF and PICK UP SAFETY

All of us are in a hurry, but **SAFETY** is our priority. Please follow all guidelines to ensure safe and efficient drop off and pick up lines for everyone.

- ★ Please pull up all the way to line marked on road or to the car in front of you.
- ★ Drop off/pick up your children if you are along the curb directly next to school (*passenger side*). Do not let them out in parking lot (*driver's side*) for any reason.
- ★ If your child requires assistance getting into the building or you would like to watch your child walk up to the building, PLEASE PARK. Then safely escort your child.
- ★ Please DO NOT pass cars who are dropping off or picking up students, **UNLESS DIRECTED TO DO SO BY STAFF.**
- ★ DO NOT ENTER either entrances to bus circle, space between upper and lower parking lot or small parking lot by back entrance.
- ★ Use crosswalks!
- ★ Listen to the Crossing Guard!
- ★ Do not park in NO PARKING ZONES.

Have a happy and safe new school year!
