Midyear Parent Conference Day

March 10, 2020

AACPS has scheduled an additional Parent/Teacher Conference Day to take place on March 10, 2020 from 8:00-3:30.

This day allows an opportunity for you and your child's teacher to meet together to discuss your child's progress and share ways to help him/her meet with success.

For students needing growth in one or more areas, a conference slip with a scheduled time will be sent home with your child.

If your child is making sufficient progress in all academic areas and meets expectations for student learning, you may still request a conference if you would like to meet with the teacher.

Conference invitations will be sent home by Wednesday, February 19.

A child is more likely to be successful when parents and teachers work together to support students.

Thank you for being our partner!

**Kathy Maxa
Principal**

BOOK IT

Don't forget that we still have 2 months left for BOOK IT! Remember to read 20 minutes at night (15 minutes for first grade) and turn in your calendars to your teacher. The more you read the more minutes your class will have.

Keep Reading!

SAVE THE DATE It's Time to Celebrate Dr. Seuss March 2, 2020

We truly love him
in a house.

We truly love him
with a mouse.

We truly love him
here or there.

We truly love him
anywhere.

We truly love the silly goose.

We truly love old Dr. Seuss!

Read Across America Day, which celebrates Dr. Seuss' birthday, is held the first week of March. Dr. Seuss' birthday is March 2 and we will be celebrating here at Cromwell on Monday, March 2. We would like to encourage everyone to dress as your favorite Dr. Seuss character and we would like to invite all parents and special friends to attend our celebration from 2:30-3:00 in the George Cromwell Gym. We encourage you to bring a blanket and some good books to read and we will have a half hour read in where you can read some great books with your child! This is a great opportunity to show children how important reading is. More information will be coming later in February.

We hope to see you there!

Cromwell Technology Tip of The Month—February

All of the County online Databases are accessible from a home computer:

Go to: <http://opac.aacps.org>

- Scroll down and choose George T. Cromwell Elementary School
- Select Online Database
- **Culture Grams**

LOST AND FOUND

Our lost and found is overflowing with coats, jackets, hats and gloves. Please be sure to stop by and take a look to see if there is an item that your child has lost or forgotten. Anything left behind at the end of the year will be donated.

Is Your Child Going Home a Different Way?

For your child's safety, please send a note to school if you would like to have your child go home a different way other than what they do every day here at school. **Please do not call the school office to change the way you would like your child to go home.** We do understand that plans can change throughout the day and emergencies do come up. We would ask that you fax a letter to school and then follow up with a phone call to be sure the fax was received.
