## Out-of-Area Transfers

(Submit between March 1 - May 1 Each Year)

Anne Arundel County Public Schools requires all current out-of-area transfer students to submit an Out-Of-Area Transfer Request form each year between March 1 and May 1, 2020. This includes students who will be in fifth grade.

To get a copy of the form, go to: [www.aacps.org/outofarea](http://www.aacps.org/outofarea). If your request is due to a daycare need, make sure you include the Daycare Verification form. This form is located on the website under out of area transfer.

A parent or court-appointed guardian must enroll a child in the assigned boundary school prior to requesting an out-of-area transfer. If a child attends private school, he/she must first be enrolled in an Anne Arundel County public school prior to submitting a request.

All applications should be submitted to the principal of the requested elementary school prior to May 1.

After, May 1 you will need to submit your application to the Office of Pupil Personnel, 2644 Riva Rd., Annapolis, MD 21401 with the appropriate documentation. Once the Office of Pupil Personnel receives the request a decision will be made in writing within 30 days.

Please note that George T. Cromwell is a closed school for 2020/2021 due to construction. New out of area transfer applications (that is, for students not already attending our school) can not be accepted in our office.
