

## Instrumental Music News From Ms. Walton

Mark your calendars!! The Instrumental Music Spring Concert is EARLY this year, and scheduled for **Wednesday, April 24, 2019** at 7:00 P.M. The daytime concert is the same day. Attendance at the concert is mandatory.

Please encourage your student to practice. Spring often brings a lull in practicing, and we want students to demonstrate their best at our upcoming concert. Afternoon practice is an option for students who can do so on Tuesdays and Wednesdays. Students should also be filling out their practice log and showing it to Ms. Walton weekly. Thank you for your help.

Students have been working very hard on their concert music. I'm sure that you will be impressed. I look forward to seeing you on April 24!
