### Community Support Teams: CRICT and EC CRICT

Families with complex or intensive issues can also receive support and assistance through our Community Resource Initiative/Care Teams (CRICT). The Family will complete a simple referral form and be scheduled for a one-hour meeting with team members that can assist their family. At the meeting, team members will help develop an Individualized

Action Plan in partnership with the family. After the meeting, the family and our staff (with support from team members) will implement the Action Plan. Our staff will follow up with the family and other involved parties to ensure the family's needs are met.

The CRICT team serves families with school-aged children (K to 12th grade) while the Early Childhood CRICT team specializes in families with children birth to age five, particularly those with developmental disabilities or delays.
