May Newsletter

Hola families,

This time away from the students has been unexpected and we greatly miss teaching in the classroom. I hope you know how much we are thinking of you all!

We have covered the following lessons:

Week 1: Greetings

Week 2: Emociones (Emotions)

Week 3: Naturaleza (Nature)

Week 4: Naturaleza y Números (Nature and Numbers)

We are going to start May with our Animales (Animals) Unit.

Each week students learn new Spanish vocabulary that will be practiced through pronunciation videos, anchor charts, books, and songs. At the end of each lesson a challenge is assigned as an opportunity for students to show what they have learned. If an assignment is difficult to complete or you're having technical issues, don't hesitate to contact us. We are available by email, private messages in google classroom, or by phone. Through these tough times, we still want to be here for our students and you.

Sra. Fishback and I have loved seeing the creativity of the work returned. We want our Jacobsville Jaguars to know that even though they might not be in our classrooms, they're in our hearts.

Be safe,

Sra. Curry: [ccurry@aacps.org](mailto:c Curry@aacps.org) (301) 539-9318

Sra. Fishback: jfishback@aacpss.org (301) 744-7545
