

The Reading Corner

May 2020

With summer almost here, we want to make sure you have plenty of resources to help make reading fun at home. Here are a couple of activities your child can participate in this summer.

The AACPL Summer Reading Program

AACPS has once again teamed up with the public library to develop another fantastic summer reading program.

Here are some things to know about this summer's program:

- The AACPS' Summer Reading flyer will have suggested titles by grade level.
- Anne Arundel Public Library's summer reading initiative will be July 8-August 31.
- Anne Arundel Public Library will host virtual events throughout the program.

Be on the lookout from your child's teacher for the Summer Reading flyer!

Scholastic's Summer Reading Book Bingo

Print out a bingo card [here](#). Review the directions for getting Bingo with your child. Each time they read, help them record the book on the bingo card. When they get bingo, have a small incentive or treat to celebrate your child's hard work!

Have a safe and healthy summer! If you need anything, we are always here to support.
