Dear Linthicum Elementary Families:

It has come to my attention that some students are wearing hats, hoods, and other headwear (i.e. bandanas and scarves) in the classrooms and this is causing disruption to the learning environment. Many times staff will ask students to remove headwear and students respond disrespectfully or refuse to comply causing more disruption to the learning environment. As per the Student Code of Conduct, headwear should only be worn in the school building for health, safety, or religious reasons. Students are permitted to wear hoodie sweatshirts to school, however hoods should be removed from students' heads as they enter the building. Students are expected to conduct themselves respectfully if a staff member reminds them to remove their hat or hood. We appreciate your support in reminding your child(ren) of these expectations. Thank you for continuing to work with us to ensure all students have access to a quality learning environment.

Sincerely,
