***No PM PK**

February 21st
Schools & Central Offices closed President's Day

Dear Marley Elementary Families,

Let me take this opportunity to wish each of you a Happy New Year! For me, each new year brings the promise of renewal and hope. This year is no different as we continue to navigate our school year. It is my desire that we as a school community strive towards being hopeful, positive, and supportive in these times. The teachers and staff at our school are committed to that cause!

Inclement weather and cold temperatures are upon us. We ask that you please dress students appropriately for the weather. Although we do not have recess when the temperatures are extremely cold, teachers are encouraged to take students on brief wellness walks outside. The fresh air proves to assist students in refocusing on learning and allowing students, if they desire, to take a mask break outdoors. We thank you for your cooperation in this area.

I am aware that many families have questions or concerns around COVID. I want to assure families that at Marley Elementary we are continuing our county recommended mitigation efforts which include masking and access to hand washing and sanitizing throughout the building. Additionally, we are following the protocols put in place by AACPS in conjunction with recommendations from our county health department. For more detailed information about current COVID protocols, please visit, <https://www.aacps.org/covidprotocols>.

As always, if you have questions regarding any aspect of your child's education or school experience, please feel free to contact your child's teacher, Mrs. Brady or me. We are all committed to every student here at Marley Elementary!

Educationally Yours,

Tamara Kelly-Molock- Principal

tkelly-molock@aacps.org

Erin Brady- Assistant Principal

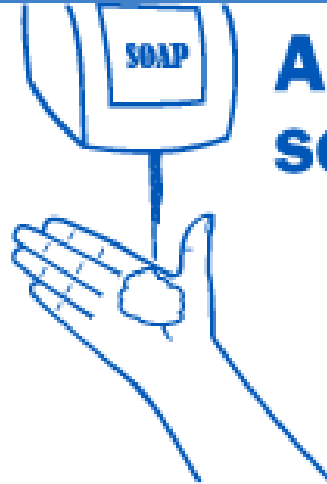

ebrady@aacps.org

Wash Your Hands

**Wet
hands**

**Apply
soap**

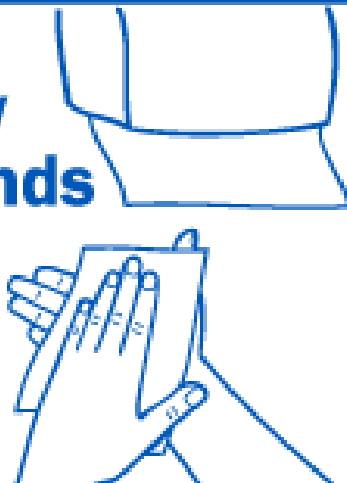

**Wash
for 20
seconds**

**Rinse
well**
