June 20th
Schools & Central
Offices closed -
Juneteenth

**June 23rd &
24th**
Two hour early
dismissal - No PM
PK

June 24th
Last day for stu-
dents

June 27th
Last day for
teachers

Dear Marley Elementary Families,

It is the month of June, and our school year is coming to an end. It has been a year of growths and challenges. But overall, we have endured and exhibited an I Can, I Will spirit and perseverance. Our students have shined throughout the year, and I am proud of all their collective and individual accomplishments.

I want to provide you with a few reminders related to the upcoming school year. First our school hours are changing. This change in school time has been approved by the AACPS (Anne Arundel County Public Schools) Board of Education and will occur. Next year our school hours will be 8:00 AM – 2:25 PM. This change in schedule is a major time shift. Please begin planning accordingly.

Second, I would like to remind families that all students eligible for bus service must register for the 2022-2023 school year. If your child lives in a bus eligible zone, you should have received an email. The email includes information on how to register your child. We are encouraging our families to register their children for bus transportation if they are eligible. If you need assistance in registering your child for bus service for the 2022-2023 school year, please contact our front office at 410-424-3200. Our school office staff will be happy to assist you in the process.

Take time this summer to relax, recharge, and spend time with family and friends. I also recommend that you have your children continue their reading development by reading this summer. Our local libraries have many great book selections and programs for your child to experience this summer. Please visit Anne Arundel County Public Library's website at <https://www.aacpl.net> for more information about summer reading programs and activities.

Have a fantastic summer!

MANDATORY BUS REGISTRATION FOR 2022-23 SCHOOL YEAR

Anne Arundel County Public Schools is implementing a mandatory bus registration process for the upcoming school year. Beginning on May 4, families whose students are eligible for bus transportation, based on the student's primary address, will receive an encrypted email from AACPS containing a secure link to the bus registration form for each student who is eligible for bus transportation. Please click on the link in the message and fill this form out as soon as possible, regardless of whether your student needs transportation or not. Families will receive a separate form for each child. Forms are student-specific and cannot be forwarded to others. Students whose families do not complete registration forms will not be eligible to ride a school bus for the entire 2022-23 school year even if they reside in the transportation zone. Please note that prekindergarten and kindergarten students, students who have IEPs that contain transportation accommodations, and students designated as homeless will automatically receive transportation. Students who take shuttles from their schools or homes directly to the Centers of Applied Technology do not need to complete a form for this purpose, but must complete the bus registration form for transportation to the home school. If you do not have email access or need other assistance in this process, please contact the school.

REGISTRO DE AUTOBÚS OBLIGATORIO PARA EL CURSO ESCOLAR 2022-23

Escuelas Públicas del Condado de Anne Arundel está implementando un proceso de registro de autobús obligatorio para el próximo año escolar. A partir del 4 de mayo, las familias cuyos estudiantes son elegibles para el transporte en autobús, según la dirección principal del estudiante, recibirán un correo electrónico encriptado de AACPS que contiene un enlace seguro al formulario de registro del autobús para cada estudiante elegible para el transporte en autobús. Haga clic en el enlace del mensaje y complete este formulario lo antes posible, independientemente de que su estudiante necesite transporte o no. Los formularios son específicos del estudiante y no se pueden reenviar a otros. Los estudiantes cuyas familias no completen los formularios de inscripción no serán elegibles para viajar en un autobús escolar durante todo el año escolar 2022-23, incluso si residen en la zona de transporte. Tenga en cuenta que los estudiantes de prekínder y kínder, los estudiantes que tienen un IEP que contiene adaptaciones de transporte y los estudiantes designados como personas sin hogar recibirán transporte automáticamente. Los estudiantes que toman transporte desde sus escuelas u hogares directamente a los Centros de Tecnología Aplicada no necesitan completar un formulario para este propósito, pero sí deben completar el formulario de registro de autobús para el transporte a la escuela de origen. Si no tiene acceso al correo electrónico o necesita otra ayuda en este proceso, comuníquese con la escuela.

Wash Your Hands

**Wet
hands**
