2 hour Early Dismissal
(Staff Professional Development)
Project Unity Day (wear your orange!)
***No PM PK**

October 21st

2 hour Early Dismissal
(Parent/Teacher Conferences)
***No PM PK**

Dear Marley Elementary School Families,

I cannot express how exciting it is to have students in our school building again! The heart of our work is interacting with students and seeing them grow and learn each day. We are so happy to be able to impact the lives of our students in person this year.

I want to thank you for your commitment to sending your children to school prepared for learning. This year student school supplies should include masks and a water bottle. Please be certain that your child comes to school with masks, two if possible. Many times, students' masks may break or become soiled during the day. Having the extra mask is quite helpful. Additionally, we want students to have access to water throughout the day. Having students bring a water bottle each day is quite helpful.

As a reminder, there are two early dismissal days. October 20th teachers and staff will be engaged in continued district-wide equity training. October 21st will be parent teacher conferences. Teachers will reach out to parent/families to schedule conferences. Not all families will be contacted but keep in mind that there will be parent teacher conferences conducted in November as well.

Finally, I want to take this time to thank families for your partnership and for your flexibility this school year. There have been some challenges. But I want to ensure you that each of us at Marley Elementary School are dedicated to do what is best for each child, each day. If you have any concerns or questions, I encourage you to reach out to me or our assistant principal, Mrs. Brady. We practice servant leadership and are here to help.

Educationally yours,

Tamara Kelly-Molock

Principal

Erin Brady

Assistant Principal
