

# Point Pleasant Elementary School

## *Mission*

Point Pleasant Elementary provides an engaging, rigorous learning environment where instruction is differentiated to ensure learning and to prepare each child for the 21st century. We collaborate with parents, teachers, students and community members to have all stakeholders actively involved in empowering students to become lifelong learners.

## *Vision*

***We will meet the needs of each child by:***

- Implementing instruction that requires each child to think critically and apply problem solving skills
- Applying diagnostic tools formatively to guide and differentiate instruction
- Incorporating technology into instruction
- Helping students to make positive choices to promote an active and healthy lifestyle
