

Quarterfield Elementary Uniform Program

We are proud that Quarterfield Elementary has adopted a school uniform policy for all students. We believe that school uniforms make our school a safer place for students. All students at QES are to wear uniforms (see below for specifics) daily, including special events such as field trips. At times students are permitted an “out of uniform day” when they can wear clothing other than those specified in our uniform policy. A notice will be sent home on these occasions noting an “out of uniform” day.

In an effort to assist parents to reduce the cost of uniform clothing purchases, our QES PTA will periodically offer a “Swap Shop” for parents to swap outgrown uniform clothing for larger sizes. Uniform clothing is also available for purchase at a low cost at the Swap Shop. Please contact the school with questions regarding our uniform policy. Thank You!
