

SEVERNA PARK ELEMENTARY SCHOOL
2021-2022 SCHOOL SUPPLIES

This year, AACPS has provided schools with additional funding to purchase school supplies, so our list is much smaller than usual! We hope this comes as good news and makes the preparation for the first day of school a bit easier. Supplies do get used up and/or worn out; **please replenish when necessary**. In addition to the supplies listed, all students must have a backpack or tote bag large enough for folders but **without wheels**. **Please label all school supplies including backpacks, lunch boxes, and coats with first and last names**. Let's set a goal to keep our Lost and Found area empty this year! Classroom teachers will communicate when and how often students need to bring their device closer to the start of the school year.
