They had 100% attendance for the week of 2/12 - 2/16!

Reminders and Notes of Interest

- A boy's wallet was turned into the office about two weeks ago. We have been unsuccessful in locating its owner. If your child lost a wallet, please reach out to the main office.

- As March nears, we have some exciting events on the horizon.

- **Book Character Day** – Friday, March 15th

- **All for Books Coin Drive** – Start collecting that loose change! During the week of **March 11th**, we will again be holding our annual Coin Drive to collect money to get books into all students' hands and into our classroom libraries. Last year we collected over \$2,000! Students will have the opportunity to drop off their spare change into their grade-level bins during arrival or at lunchtime. The grade level who collects the highest overall total will receive a pizza party! Your act of kindness helps give students more access to books they will want to read! (All money raised directly supports Windsor Farm students and classroom libraires.)
- **Scholastic Book Fair** – Look for flyers and information to come home during the week of March 4th.
- **Grandparent's Day** – March 22nd, 7:45-8:15. Grandparents and grandfriends are invited to join their grandchildren at Windsor Farm Elementary. More specifics will be shared soon to include registration information.

News from the PTO

- **PTO Movie Night** is scheduled for Friday, March 8th! Join us in the cafeteria as we present "*Trolls Band Together*." Doors will open at 6:00 with the movie beginning at 6:30. To make this night a success, we need some volunteers to help sell concessions. Please use this [Signup Genius Link](#) to volunteer. Admission to the event is free and concessions will be on sale throughout the event, including Spizzico pizza. Look for the link to pre-order your whole pizza in next week's edition of *Windsor's Sunday Update*. Check out the Movie Night Flyer [HERE](#).

- Thank you to all who participated in **Spirit Night** at Ram's Head Roadhouse! The PTO appreciates your support.
- At least one chairperson is needed for our scheduled *Boys' Bowling Night*. If we are unable to secure a chairperson to organize the event, we will be forced to cancel. A May date will be determined with the chairperson. The event chair is responsible for organizing attendees, collecting payments, and assigning

lanes. There is no work to do at the event because it is hosted by the bowling alley. Please reach out to MyWFEpto@gmail.com to volunteer.

The **Scholastic Book Fair** is coming to Windsor Farm Elementary during the week of March 18th! The Book Fair committee chairs need some volunteers to support the event throughout the week. Please use this [Signup Genius Link](#) to volunteer.

- Yearbooks are on sale now! Order your copy at <https://shop.yearbookmarket.com/windsorfarmelementary>. Be sure to take advantage of the Early Bird special and reserve your copy for just \$23. Early Bird prices will close on March 10th. All Yearbook Dedication orders are also due by March 10th.

Sound of Silence

**A CONVERSATION
ABOUT MENTAL
HEALTH**

PRESENTED BY:

**MAGOTHY RIVER
MIDDLE SCHOOL**

WHAT IS SOUND OF SILENCE?

Sound of Silence is a program created for youth, to help dismantle and break the stigma related to mental health and give access to mental health services that our youth so desperately needs.

Sound of Silence otherwise known as SOS, is a targeted assembly for all Middle and High Schools students. We also offers events for parents and community as well. We work alongside each school's principal and staff to carve each event to perfectly fit each schools' current needs around mental health. We provide a panel of mental health and substance misuse professionals along with representation From SADD (Students Against Destructive Decisions) Department of Health, Crisis Response and the leading Prevention Coalitions that represent Anne Arundel County. We talk about target topics that can lead to mental health disorders, how to prevent self medicating through substance misuse, suicide prevention, maintain healthy relationships and many more.

We want to encourage our parents to talk to their youth. To ask the questions and know how to respond. We also provide services using each school's Behavioral Health Facility following if our youth should need the
