You're Invited

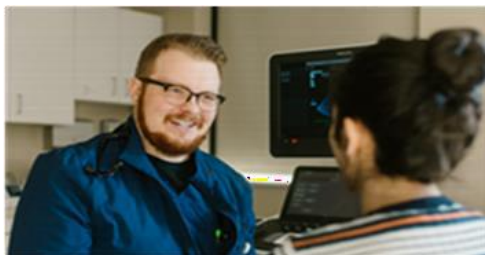

to an Online Information Session

A college with working teachers in mind!

ACE is hosting an Online Information Session for our district partners, Tuesday, February 25th at 7 p.m. EST. Learn more about available district grants, programs offered, our affordability, upcoming start dates and next steps to enroll. The information session will include an overview of our programs, renowned for:

Providing innovative and accredited curriculum designed for a digital world

Dedicated faculty, committed to student success

Affordable degree programs that accommodate the busy lives of practicing professionals
