BGE
**WIRES
DOWN**
VIDEO
CHALLENGE

Your school's safety video could
win up to **\$10,000!**

Create your school's own adaptation of BGE's "Wires Down" electric safety commercial. Use a simple smartphone or create an elaborate production — it's up to you!

Highlights:

- ☆ Open to public and private elementary schools within BGE's electric service delivery area.
- ☆ Teach your students how to stay safe around electricity with a lesson plan that uses elements of STEM, or visit **BGE-Education.com** for electric safety educational resources.
- ☆ Win one of up to 17 monetary prizes, including the \$10,000 grand prize.

Contest Timeline:

Until April 2 Submit entries	>	April 9–22 Online voting	>	April 30–May 6 Final judging
--	---	------------------------------------	---	--

First time entry prize for 2018. See entry kit for details.

For details and to sign up for our e-newsletter, visit **BGEVideoChallenge.com**.
