

An Overview of the Process

Steps in the Development of the Plan

How are we Monitoring the Strategic Plan?

Our Strategic Plan

- provides a clear understanding of what we need to do in order to achieve our vision;
- guides us in making and prioritizing decisions;
- allows us to focus finite resources on the actions that will benefit our work the most;
- furnishes a context to the larger framework— global, national and local;
- provides a tool to help us communicate our intentions to others; and
- provides a coherent guide for day-to-day implementation.
