District 203

Every AACPS school and office embraces equitable practices and provides a positive, welcoming place for all students, families, and employees to learn and grow.

- Using perseverance, process praise, goal setting, reflection, and the Power of Yet to grow ourselves and others.
- Our beliefs and actions should be aligned to serve and support students.
- We are kind. We listen attentively and are empathetic towards others. We respect differences.
- Providing rigorous and relevant learning experiences for all.
- Making connections and building relationships to promote understanding.
- We follow through on promises and professional responsibilities.
