Marylanders - Madison M. and Henry W.
M & M's - Joe D. & Sophia H.
Heroes - Tucker M. & Kaylin B

Congratulations to all students listed for being selected as SPMS student of the month for September.
Parents picking up students are to use the Jumpers Hole Road entrance or the Lynwood Road entrance. Cars are to stay in line and keep moving forward until there is a safe location to pick up the student. Once the student is in the car, the driver may pull out and carefully pass parked cars. The pick-up areas run very smoothly as long as all drivers follow the guidelines.

**Students are in activities from 3:10-4:10. All car riders and walkers will be dismissed at 4:05. Car riders will report to the car loops. It is highly recommended that parents wait in the car loop for their student. Dismissals from the office between 3:30-4:00 may take 10-15 minutes due to regular sign out procedures, contacting the teacher that your student is with, and the lack of parking in the bus lot. Please do not park in the bus lot between 3:00-4:30 p.m. Parking spaces are available by the fields on Jumpers Hole.

Activity Bus routes are listed below and on the following page. Please review the Activity Bus stop with your student as the stops are significantly different than daily bus route.

For parents of 6th grade students:

The state law requiring new immunizations for 7th grade students will continue to be in effect for next school year. We will need an updated copy of your child’s immunization record before school starts in August. If you visit your physician during this school year, please request a copy and turn it in to the health room, so that you won’t have to worry when the deadline approaches next summer. The two immunizations that are required are the Tdap and the meningococcal vaccines. These are usually given after the 11th birthday. Please call us in the health room if you have any questions! 410-421-8637.

School Health Services is looking for qualified Licensed Practical Nurses (LPNs). Current LPN licensure in Maryland is required. Positions include health benefits, limited leave, and summers off. For more information and an application, please call 410-222-6838. Resumes may be faxed to 410-222-0073. EOE.

Band/Strings parents:

By now students should have received their Welcome Packets and Uniform information. Please email spmsmusic@gmail.com if you have not yet seen these packets in your student's folders.

If your student is new to band/strings, please "like" our Facebook page: SPMS Music Boosters and we will add you to the group.

If you were unable to attend Back to Music Night and need to submit forms or pay the Fair Share fee/Fall Social fees, please email spmsmusic@gmail.com. The preferred payment method is via Charms, our online payment service and website. Once you email us we will instruct you on how to open your Charms account.

Upcoming event:

October 6 2017 at 7pm: Fall Social in the cafeteria. Music!! Pizza!! Get together with your music friends from Band, Strings and Chorus for an evening of fun!! Payment is due October 2 for this event. If you would like to Chaperone, please sign up via Charms. All Chaperones must complete the background check found on the website www.AACPS.org.

Communicating with your School Nurse

Parents/Guardians - Keep Your School Nurse Up to Date:

1. Be sure to inform your school nurse about your child’s health conditions or other special health needs in order to plan for safe management at school. Chronic health conditions including but not limited to: asthma, seizures, diabetes or life threatening allergies.

2. Remember to provide your school nurse with current emergency contact information.

3. Tell your school nurse if your child’s health condition interferes with school attendance.

4. Make sure to tell your school nurse about medications and medical treatments your child requires during the school day.

5. Tell your school nurse about any changes in your child’s health or mobility status, or about any infectious disease.

6. Speak to the school nurse if you need to obtain information about health insurance for your child.

Any questions or health related concerns? Please contact your school nurse, Pam Cochran at 410-421-8637.

**When Can You Apply for the 2018–19 School Year?**

The online magnet application process opens at noon on October 16, 2017, and closes at noon on November 30, 2017 (CAT Centers will accept applications through March 15, 2018).
AACPS Magnet Program Overview

Please note, Magnet programs are available only to students living in Anne Arundel County.

What is a Magnet Program?

Magnet Programs, part of Anne Arundel County’s Programs of Choice, offer motivated students the opportunity to engage in a specialized course of study that differs from the traditional curriculum offered in AACPS. Eligible Magnet students will have the opportunity to gain rigorous and relevant learning experiences in subject areas in which they have great interest.

- A student’s Magnet School is determined by their home middle school. (Exception: A student’s PVA High School is determined by his or her Arts Major.)
- These are public school programs and are offered at no cost to students. (Some programs may have lab, field trip, or exam fees.)
- Transportation is provided from consolidated bus stops.

What Middle School Programs are available?

The International Baccalaureate Middle Years Programme (IB MYP) provides a student-centered education that challenges students to make connections between education and the real-world as they consider their roles in both local and global communities.

The Performing Visual Arts Middle School (PVA) Magnet Program offers advanced arts instruction and performance opportunities through a strong academic curriculum interwoven with the arts.

The Science, Technology, Engineering, & Math Middle School (STEM) Magnet Program immerses students in an interdisciplinary, inquiry-based, and technology-rich curriculum where they will apply STEM subjects to the world around them.

Students apply to these Middle School programs in the fall of Grade 5.

What High School Programs are available?

The STEM Biomedical and Allied Health (BMAH) Magnet Program offers students hands-on experience to learn and discuss relevant 21st century biomedical and allied health issues.

Students apply to this program in the fall of Grade 8.

The Centers of Applied Technology (CAT) Magnet Program offers students the opportunity to apply theory and knowledge towards skills proficiency through hands-on technical experience similar to what they would receive in the commercial/industrial workplace.

Students apply to this program in the fall of Grade 9, 10, or 11.

The Performing Visual Arts High School (PVA) Magnet Program immerses students in a cutting edge, arts infused college and career preparatory curriculum designed to foster effective communication and creative-critical thinking.

Students apply to this program in the fall of Grade 8.

The Science, Technology, Engineering, & Math High School (STEM) Magnet Program uses problem/project-based learning and cutting-edge technology to expose students to the importance of STEM subjects in the world today.

Students apply to this program in the fall of Grade 8.

The International Baccalaureate Middle Years/Diploma Programme (IB MYP/DP) offers a broad and balanced curriculum designed to promote student centered inquiry, creative and independent thinking, and effective communication.

Students apply to this program in the fall of Grade 8 or 10.
Severna Park Middle School Counseling Department Presents:

Throughout the 2017-2018 school year the counseling department will be offering a series of workshops. Sign up for them now and you will automatically receive notifications as reminders 2 days prior to the workshop. Don't miss out on this opportunity to fine tune the skills you and your student will need to transition through middle school and be prepared for what lies ahead in high school and beyond.

Dear Parents,

Did you know that in Severna Park, you are two to three times more likely to join your elementary school PTO or PTA than your middle school PTO? Many of the costs that your elementary school PTOs and PTAs have, the middle school PTO has. The largest contribution that the SPMS PTO makes is the purchase, maintenance, and upkeep of the technology in the classrooms. One of the great things about this community is the quality of the schools. Support your school and the SPMS PTO to continue keeping SPMS such as great school!

For all of you who have already joined or renewed your SPMS PTO membership for this school year, the PTO would like to thank you for your investment in your children and the SPMS community. If you have not joined yet, know that joining is easy and the investment is real. When you have a few minutes to spare, you can do the whole thing online. Here is the link to create an account and join the PTO membership: https://spmspto.membershiptoolkit.com/membership

The PTO is also going to be active on Facebook this year, passing along information we think might be important to parents. If you are on Facebook, we will be posting information to these pages. If you are not on Facebook, the school will continue to email information too.

8th Grade: Parents of Severna Park Middle Eighth Graders (SPHS Class of 2022)

You can also support your school by
-Registering your Giant card at https://www.giantfood.com/school-rewards (school #01186)
-Register your Harris Teeter card at https://www.harristeeter.com/together-in-education (school #4420)

-Shop on Amazon at http://smile.amazon.com (register SPMS PTO)
-Eat or shop at local businesses hosting spirit nights
-Volunteer by emailing spmspto@gmail.com - we need parents willing to help plan student social events

This month the Severna Park cluster of PTOs, PTAs, and PTSO are sponsoring Not My Child again on October 24, 2017. This important program covers the growing substance misuse in our community and will be held at SPMS.

If you have any questions, comments, or suggestions, please feel free to contact me.

Dear Parents/Guardians,

I would like to introduce myself as the Anne Arundel County Public Schools Citizen Advisory Committee Representative. As the Citizen Advisory Committee Representative, my role is to advise the Board on specific issues related to the secondary Severna Park Cluster, as well as to facilitate Board activities and programs. I am looking forward to working with the parents and teachers of Severna Park Middle School and Severna Park High School to make this a successful and exciting year for our children!

Please feel free to contact me with any questions, comments or concerns.

Sincerely,

LaToya Nkongolo
