

Positive Communication with your child's school team is key to success!

The IEP is the cornerstone to your child's educational program. Partners for Success Resource Center is a collaborative effort between AACPS and MSDE to ensure parents are informed, active participants in their child's education. Please contact us with concerns and for suggestions to help you engage with your school for the most appropriate and rewarding educational experience for your child.

What is Partners for Success?

The Partners provide the tools and information necessary to empower parents to support their child's educational program. Partners assist parents to organize specific concerns, and then identify strategies to allow them to participate as equal partners in their child's education.

What can our Partners do for you?

- Listen and respond to family concerns.
- Build successful relationships between parents and school personnel.
- Provide referrals to local family support services.
- Present workshops to educate families about the special education process and child development concerns. Such as...
 - Transition From High School
 - Becoming Your Child's Advocate
 - Understanding the IEP Process
- Provide help in understanding AACPS Special Education policy and procedures.
- Direction to our Lending Library.
- Provide local and national resources.
- Assist with smooth transitions throughout your child's educational journey.
