MedStar Health Mobile Health Center Coming to North County

MedStar Health's mobile health center van is back on the road for bi-weekly stops and is heading to a north county location near you! The mobile medical office offers primary health care services as well as resources for other community health services including behavioral and mental health connections & referrals. Anne Arundel county locations include the Brooklyn Park Library and the North County Recreation Center. Patients should call ahead to make an appointment—walk-ins accepted on a first-come, first-serve basis.

For more information, call 410.350-7511 or visit medstarhealth.org/MobileHealthCenter

Dept. of Aging & Disabilities Caregiver Support Meetings & Grants

Anne Arundel County's Department of Aging & Disabilities' National Caregiver Support program provides supportive workshops, support meetings, and small grant funding to kinship caregivers and grandparents caring for children in our county. Kinship caregivers can apply for one-time financial support grants to assist with the costs associated with caring for children in their care.

The program also hosts monthly Caregiver Support meetings to connect local caregivers with one another to share ideas, provide support and resources, reduce stress and celebrate successes in a safe, non-threatening environment. Monthly support meetings are currently being conducted online twice/monthly.

For more information or to apply for a one-time Caregiver Support Grant, call Mary Chaput at 410.222.4339 or caregiver_support@aacounty.org

Workforce Development Corp. NEXTSuccess Employment Program

The Workforce Development Corporation's new NEXT Success Bridge to Employment program offers potential employees ages 18-24 the opportunity to gain valuable employment skills in a virtual job exploration and development cohort. This four-week paid educational and empowerment program will focus on teaching job readiness, building relationships and workforce skills to interested applicants.
