

The AVID Tutor

AVID (Advancement via Individual Determination) is a college readiness system for elementary through higher education that is designed to increase school wide learning and performance. The AVID College Readiness System (ACRS) accelerates student learning, uses research based methods of effective instruction, provides meaningful and motivational professional learning, and acts as a catalyst for systematic reform and change. Students in the AVID elective class participate in tutorials on Tuesday, Wednesday or Thursday. They are required to bring a question from one of their core classes that they may be struggling or having difficulty with to each tutorial. During the tutorials, students are put into groups, and with the guidance of the tutors, receive help from their peers and tutor with their point of confusion. The goal of the AVID tutorial is to "create rigorous tutorials to increase student achievement in academic classes."

Corkran Middle School is currently seeking responsible and energetic AVID tutors for the 2018-2019 school year. This is a paid position!!!

EXAMPLES OF DUTIES AND RESPONSIBILITIES:
