

Overlook Elementary School

Welcome to Overlook!

Overlook Elementary School, located in North Linthicum, has been a pillar in the community for over 60 years. Our learning community of students, staff, and family work together to be their best selves, academically and as members of a global society. We differentiate the teaching and learning to ensure all students learn and grow through inquiring about the world.

Overlook was granted the status of International Baccalaureate World School in July 2017 and is seeking reauthorization as an IB Primary Years Program in 2021. Through IB, students develop their skills and knowledge as they inquire into relevant concepts and universal ideas. Setting goals and reflecting on learning are elements in becoming internationally minded thinkers with the skills and mindsets to take action for themselves and others.

Learning an additional language is a vital component of the IB PYP. Our students experience German language and world cultures. This is provided through funding from EEE and builds on project-based learning.

Overlook Elementary School participates in the Arts Empowered Minds Initiative (AEMI) program that is utilized to increase access to high-quality arts-integrated learning opportunities for students and teachers. We participate in artist residencies through the Young Audiences Program which invites artists to create hands on experiences for students. Through AEMI, teachers increase their capacity to use arts integration in the classroom through professional development opportunities at the Chesapeake Arts Center. We know that learning through the arts engages students at high levels which correlates greatly with increases in achievement across the disciplines.

Each classroom is outfitted with SMART boards, digital projectors, computers, individual response tools to enhance the learning experience and incorporate 21st century technology into daily lessons. We also utilize iPads, Chromebooks, and iTouch tools to enrich classroom instruction. We have a 1:1 student/computer ratio.

Overlook is a Green School supporting healthy environments and choices. We also offer a variety of school clubs including dance club, boys and girls club, MESA, STEM, sports, Kickball with Cops, and Dream box.

School Advisory Council

Overlook Elementary School invites business and community members to serve on our Advisory Committee. Members provide important perspective and advice on how we engage with the larger community.

For more information, please contact Principal Angie Ricciuti. aricciuti@aacps.org.

Parent/Teacher Organization

Our staff proudly works with our PTA to provide enriching and positive experiences for our students. The community generously serves the school with their time and talents. We have great volunteers working at numerous events, participating in classroom activities and field trips as well as helping all around the school building.

“Who-o-o soars the highest?”

Overlook Owls!”

Thank you for visiting
Overlook Elementary!

Access

Every student at Overlook Elementary School has access to highly effective teaching strategies every day to prepare each child for college and career.

Equity

Overlook believes that all children deserve equitable opportunities to learn and show what they have learned. Staff members participate in continual identification and reflection to ensure the mindsets and teaching practices support both equity and equality in our learning community. This includes serving students in

Excellence

All students at Overlook Elementary School strive for excellence each day in a positive, nurturing environment where risk-taking and engagement are valued.

Title 1 Services

Overlook is an identified Title 1 school. This is a federal program that provides financial assistance to support academic achievement for low-achieving children.
