Welcome to Overlook!

Overlook Elementary School, located in North Linthicum, has been a pillar in the community for over 60 years. We take pride in our remarkable students and staff. Our teachers and school improvement efforts focus on eliminating the achievement gap among all of our student groups. No two students are alike, and therefore differentiated instruction is common practice in order to meet the needs of each individual learner.

Overlook was granted the status of IB world School in July 2017. The IB organization determined the school’s readiness for authorization and its’ ongoing development with the implementation of IB philosophy and its’ standards and practices. The IB will re-evaluate the school’s commitment to its’ program after the year 2021. The instruction of the German language remains a vital component of the IBPYP. Our students experience world cultures through the EEE program. Teachers and students will engage in reflective thinking such as, “What do we want to learn?, How best will we learn?, How will we know that we have learned?” Each classroom is outfitted with SMARTboards, digital projectors, computers, individual response tools to enhance the learning experience and incorporate 21st century technology into daily lessons. We also utilize iPads, Chromebooks and iTouch tools to enrich classroom instruction. Overlook’s staff proudly works with our PTA and community members to provide enriching and positive experiences for our students. Our community generously serves the school with their time and talents. We have great volunteers working at numerous events, participating in classroom activities and field trips as well as helping all around the school building.

New initiative increases Opportunities for Students & Teachers
IB Mission Statement

The International Baccalaureate® aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

“Who-o-o soars the highest?

The Overlook Owls!”

Thank you for visiting Overlook Elementary!

Access
Every student at Overlook Elementary School has access to highly effective teaching strategies on a daily basis to prepare each child for college and career.

Equity
Each student will participate in lessons focused on International Mindedness and the German language while we work toward IB authorization in the 16-17 schoolyear.

Excellence
All students at Overlook Elementary School strive for excellence each day in a positive, nurturing environment where risk taking and engagement are valued.

One Common Goal:
“To ensure that every student meets or exceeds standards as achievement gaps are eliminated.”

Our mission at Overlook Elementary School is to foster a positive social, emotional, and academic education within a safe, nurturing environment.

Through collaboration and communication, we provide an engaging, rigorous academic setting.

Students take ownership of their learning in order to be successful, global citizens living healthy lifestyles.

Angela Riciutti
