Dear Parents and Guardians:

As you know from my most recent letter, our school construction project is set to begin this summer. As a result, students in first through fifth grades will be relocated to Corkran Middle School for the 2018-2019 and 2019-2020 school years. Kindergarten students will relocated to Oakwood Elementary School for the 2018-2019 and 2019-2020 school years.

That project will necessitate time to move materials and supplies from our school to Corkran. The Maryland State Department of Education has approved our school system’s request for a one-day waiver for this school year and next school year. As a result, the following will occur:

- **The last day of school for students at Richard Henry Lee Elementary School for the 2017-2018 school year will be Thursday, June 14, 2018, one day earlier than other students across the county.**
  - Wednesday, June 13, 2018, will be a regular school day for students. We will dismiss two hours early on Thursday, June 14, 2018.

- **The first day of school for students at Richard Henry Lee Elementary School for the 2018-2019 school year will be Wednesday, September 5, 2018, one day later than other students across the county.**

We will communicate this information again prior to the beginning of the next school year.

Sincerely,

Lisa Koennel
Principal
