

June 5, 2019

Dear Parents and Guardians:

When I wrote to you last month to let you know I had been appointed by Superintendent George Arlotto as the first principal of the new Crofton Area High School, I promised to keep you updated on the new principal for Southern High School.

At its meeting today, the Board of Education approved Dr. Arlotto's appointment of Angela Hopkins as Southern High School principal beginning in the 2019-2020 school year. Ms. Hopkins is a 21-year veteran of Anne Arundel County Public Schools. She began her career as a science teacher at Meade High School before moving into administration. She has served as an assistant principal at Arundel and South River high schools, and has been assistant principal at Chesapeake High School since November.

Ms. Hopkins will begin her duties on July 1, 2019. I have no doubt that she will be an outstanding leader for Southern High School, and that she will work closely with our incredible staff to continue to lead students to great heights. I also have no doubt that you will do everything you can to support Ms. Hopkins just as you have supported me during my time here.

I wish you all the best as you move forward and thank you for the opportunity to serve as your principal.

Sincerely,

Kathryn Feuerherd
Principal
